Friday 2nd February 2024

Dear Parents/Carers,

“Trees Project”

We are excited to inform you that next week we will be welcoming the “Trees” project to Our Lady of Grace.

“Trees” is a free immersive art installation that will be in place at Lawton Crescent on Friday 9th February.

On Wednesday 7th February, the whole school will share in an assembly introducing “Trees”, following which KS2 will be taking part in illustration and storytelling workshops with the illustrators from the project.

The installation on Lawton Crescent is for one evening only, Friday 9th February, and will run on a cycle between 4.00pm and 8.00pm, so you can drop by whenever you can and stay for as long as you fancy!

The whole installation is outside and there is no wet weather provision so please dress appropriately for the weather.

The artwork is family friendly and is accessible for wheelchair users and children in buggies. Please note there are sounds and moving images.

You can find out more about the Trees event by following the links below;
